DETAILED ACTION

Drawings

The drawings were received on 7/3/2007. These drawings are acceptable.

Allowable Subject Matter

Claims 1 – 23 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the cited prior art neither teaches nor fairly suggests a microfluidic apparatus further incorporating a separation chamber formed in or on the substrate and in fluid communication with the pathway end, wherein the separation chamber is comprising a first input opening, a second input opening, and output opening, and a material separation region disposed between the second input opening and the output opening, and wherein the material separation region is disposed along the fluid processing pathway further from the pathway end of the fluid processing pathway than are the second input opening and the output opening.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
